A Message from the Principal

We had a great first month at Crestview Heights and looking forward to an amazing year. In conjunction with bully prevention, we began our focus on the 8 Essentials: respect, kindness, humility, selflessness, commitment, forgiveness, patience, and honesty. We introduced all 8 essentials to students the first week of school and then focused on one a week. Week two we started with respect and week 3 we focused on kindness. We want our students to be CHARACTER STRONG.

Since registration was online, we decided to give out the student handbook at Open House. This was reviewed with all students and a copy was given to them for you to sign off on. Please review with your child and return the signature page to your child's teacher. You will also have an opportunity to turn it in at conferences. If you did not receive a copy, there will be one available for you when you attend your scheduled conference on the 24th or the 25th.

The high school homecoming

parade was a lot of fun and a great way to start off the season. Be sure to visit our webpage at <https://crestview.lincoln.k12.or.us/> to view pictures.

ANNOUNCEMENTS: Thanks to all of the k-2 students and parents for an easy transition in order to balance classroom numbers.

Parents: Be sure not to walk between the buses when entering or leaving the parking lot. Safety First!

FUNDRAISER: The information on our Clothing Spirit Gear has been handed out. The orders are due back October 30th. We will use these funds for field trips and classrooms supplies.

Please Help Us with Transportation Requests

Thank you for your patience as we implement new procedures to help ensure students experience a safe dismissal. There is still some confusion for our staff in regards to students being picked up by a parent. These students will either be identified as:

- *Car Riders (if you are **not** coming in the building and want your child to come outside to wait until you arrive).*
- *Parent Pick-up in the Cafeteria (if you plan to park and come into the cafeteria to meet your child).*

When contacting the office for a transportation change in writing (email, fax, note from home, etc.) be sure to distinguish between the two so we will send your student to the right location. Please feel free to contact the office with any questions. The cafeteria has proven to be a much safer location for students to wait for parents.

OCTOBER is Bully Prevention Month

We are excited to focus on Bully Prevention this year and will begin with our kick-off during the month of October, which is Bully Prevention Month. Our October school-wide assembly will be an opportunity to introduce the upcoming monthly events to our staff and students. Lauren Evans, our counselor, will spearhead this program. Ask your children about bully prevention activities during the month of October and throughout the year. Bully prevention parent booklets will be coming home with this newsletter.

Melaia Kilduff received \$500 worth of Scholastic books through a grant. Congratulations Melaia!
