SPECIAL ANNOUNCEMENTS

November was a busy month at Crestview. There were many exciting things happening. The Boosters worked tirelessly to make the Random Reindeer Holiday and Craft Sale a success. After funds spent on advertising and signs (300.00), the profit was \$932.20. We are so blessed to have such a dedicated, caring, supportive group of parents.

earlier and advertise more. We also have a parent who has offered to make beautiful bows at no extra cost.

November was Native American month and we were fortunate to have Crystal Taylor, who is the Indian Education Coordinator for our district, bring some of her students and friends to perform a Pow Wow during our last November schoolwide assembly. Crystal works with our Native American student population (about 30 students) each month. It's a great opportunity for them.

A big THANK YOU to the parents and staff who purchased Christmas wreaths. This is such an easy fundraiser. We sell the wreaths for 20.00 and we make 10.00. Next year we are going to start

Please be aware that there are staff in the school who are highly allergic to any cut green or poinsettia. This is why when you came to pick up your wreath, they were in the back fenced in area and then in the back of my car.
