

# Our School Family Newsletter

## A Message from the Principal

## SPECIAL ANNOUNCEMENTS

Well, it is hard to believe it is January, 2019. We are looking forward to an exciting and busy rest of the year and appreciate all of the support from our families. Recently, we purchased a popcorn machine, and were also gifted a very nice bingo wheel along with balls and very high-quality bingo cards. The Boosters are planning on having a bingo night in January.

They will be meeting the first week after we return from our winter break, at which time we will decide on the specific date. Bingo prizes will include books for kids and a few other surprises. Information with more details will be coming home as soon as a date has been selected. Bingo will be free and there will be concessions for sale.

We will be doing our reading universal screener the second week of January. We expect to see some nice reading growth for students. Teachers and students have been working very hard in all subjects.

### Winter Concert and Craft Family Event

Thank you to all of the families who were able to attend the Winter Concert and Craft Family Event. Teachers and students worked really hard to make this an event to share with families and friends.

### ALARM SYSTEM

I am sure many of you heard about our lengthy fire drill this past week on Thursday. Unfortunately, there were some issues with a sensor that seemed to continually go off. The staff and students did an amazing job while the fire department went through the building to determine the cause. Everyone was patient and followed directions. We practice drills each month and had also planned on doing our Shelter-in-Place drill at 2:30 that day along with the high school. It was a busy afternoon, but it is reassuring to know that students and staff know exactly what to do in case of a real emergency. Fortunately, it wasn't raining.

### More and More are Signing Up with REMIND

To receive emails or text messages through REMIND for Crestview Heights, follow these directions:  
**TEXT** - Enter 81010 then text this in the message:  
 @toneca  
**WEBSITE** - Visit the following website and follow directions: [www.remind.com/join/toneca](http://www.remind.com/join/toneca)

### REQUEST FOR PARENT PICK UP AND DROP OFF

To help increase the safety for our students, please be sure to park in an appropriate space if you are coming into the building to pick up your child. The circle drive is for parents who plan to remain in their vehicles and wait for their children to be dismissed. This is also the procedure for drop-off in the morning. If you plan to come in the building, please park in a designated space instead of in the circle drive. This will help to keep the flow of traffic moving.

### Positive Behavioral Interventions Supports include

BEing SAFE \* BEing HELPFUL  
 and BEing KIND
